**9'S ARE WILD IN CELEBRATION OF 9/9/09 AT 9 BEACHES RESORT, BERMUDA**

SANDYS, Bermuda — [9 Beaches](http://www.9beaches.com), Bermuda's only ultra-casual resort, is wild for 9's and in celebration of 9/9/09, is offering special savings to guests who stay 9 nights in one of 9 Beaches stylish cabanas. Guests can enjoy views of the Atlantic and the resort's nine separate beaches for as little as \$99 per person per night in the Coco Coral cabanas during the summer or the Sea Forever cabanas in the fall!

The 9's are Wild savings are available in every cabana category, any day of the week between now and November 30, 2009. With daily rates starting at \$198 during the summer for double occupancy, including a full, hot breakfast, 9 Beaches is Bermuda's best vacation value.

In addition, the 9's are Wild offer can be combined with any of 9 Beaches value-added packages. Choose from a water sports add-on, a family fun package, a romantic getaway special or make your vacation all-inclusive. All rates are subject to 7.25% government tax and 15% gratuity. Additional nights are offered at regular cabana rates.

Situated on the westernmost tip of Bermuda, 9 Beaches boasts 360 degrees of spectacular seascapes in an eco-friendly setting. Dining can be arranged anywhere on the resort via the roaming dining service A la Cart. From the programmable cell phone provided upon check-in, service is just a call away. For reservations, call toll-free at 866-841-9009 or visit [www.9Beaches.com](http://www.9Beaches.com).

**ABOUT 9 BEACHES**

As Bermuda's only ultra-casual resort, 9 Beaches favors flip flops and informal attire. 9 Beaches' 84 cozy, private cabanas offer stunning ocean views and are situated across 18 acres featuring nine private beaches – even at high tide.

9 Beaches is perfect for active, individuals who are young at heart and love the great outdoors. From lounging in a hammock, relaxing on a beach or enjoying many of the resort's land and water sports, there are endless activities to enjoy.

An eco-friendly resort, 9 Beaches' efforts include sustainable, xeric landscaping to conserve water, artificial nests to encourage native bird population, solar-powered lighting and hot water, battery-operated transportation and rainwater capture.
